FREEZABLE FREIGHT POLICY EFFECTIVE: 1/5/2015

- 1.** Shipments subject to freezing **MUST** be tendered on **MONDAY, TUESDAY, WEDNESDAY** or **THURSDAY – ONLY**, and they must be destined to **OVERNIGHT** service points.
 - a. Overnight service points in **Wisconsin**: All of the major cities (Call and ask dispatch if you have any questions about a city.)
 - b. Overnight Service points in **Northern Illinois**: Zip codes 600-608 & 611
- 2.** **NO** shipments will be accepted on **FRIDAY'S** or on **SECOND** day points unless prior arrangements are made with **ULTIMATE DISPATCH** (800-607-1444).
- 3.** Ultimate has the right to **REFUSE** to pick-up a shipment(s) due to **EXTREME** cold, even if #1 above is applicable.
- 4.** Ultimate has the right to **HOLD** shipments during transit to protect from freezing, during **EXTREME** cold spells.
- 5.** **ALL** shipments tendered to Ultimate **MUST** have the words **“FREEZABLE”** or **“PROTECT FROM FREEZING”** marked on the freight and also **NOTED** in the body of the bill of lading.
- 6.** There will be **NO** recourse from either the shipper or the consignee due to late delivery if Ultimate deemed it necessary to hold to the shipment for protection from extreme cold.
- 7.** Local terminal dispatch (800-607-1444) must be advised when shipment is called in that the shipment contains freezable material.
- 8.** Any/All **CLAIMS** submitted are subject to the terms and conditions of the above seven rules and regulations for determination of liability of said claim. Also and always the claim must be turned in on the standard claim form, at cost and within the appropriate time period.
